

Gazebo Garden

We are pleased to introduce our new Gazebo Garden, a tranquil space situated between sections 2 and 3 at Warrill Park Lawn Cemetery.

This serene garden features lovingly cultivated small gardens adorned with native plants and gently sloping granite plinths. Each plinth serves as a dedicated resting place for a single ashes inurnment, and a beautifully designed aluminium memorial plaque will be gently affixed to honour your loved one.

We hope this peaceful setting provides comfort and solace to those who visit.

Positions can be reserved for any of our Premium options by purchasing the Burial Right to that position.

Please note: All plaques must be arranged through Ipswich Cemeteries for our premium gardens.
