

Basic Lawn Burials - \$4,740.00

Single Burial Right	\$2,660.00
Interment and Set-Up Fee	\$2,080.00

Our Basic Lawn Burial area, located in section 3, block 6, spans rows 14 to 22, providing another loving resting place. Here, we also conduct burials at double depth, allowing for a second coffin burial after twelve months.

We place memorials on a gently levelled flat base, crafted from concrete, harmonising beautifully with the natural surroundings. A choice of two unique cast bronze memorial styles are available in this area, accommodating either single or double inscriptions. It's important to note that all memorials in this area must be purchased through Ipswich Cemeteries to ensure the utmost care and respect.

Please note that plots cannot be reserved in the Basic Lawn section.

Warrill Park Lawn Cemetery

Warrill Park Lawn Cemetery is a tranquil haven, enveloped in beautifully landscaped lawns and peaceful memorial gardens, providing an ideal setting for reflection and remembrance.

At Ipswich Cemeteries, we understand how profoundly significant it is to choose a resting place for your beloved family members. We offer two thoughtful burial options,

ensuring that every family can find a comforting environment to honour and remember their loved ones.

Standard Lawn Beam Burials - \$5,900.00

Single Burial Right	\$3,820.00
Interment and Set-Up Fee	\$2,080.00

We recognise that the decision surrounding burial options is deeply personal and emotional. The lawn beam areas in section 3, blocks 1, 7, and 8, have become the preferred choice for many families who seek peace and beauty for their loved ones' eternal rest.

Our aim is to foster a serene atmosphere where families can celebrate and remember their cherished ones. In this tranquil area, all burials are conducted at double depth, allowing for a second burial after twelve months. A gracefully spanning central concrete beam provides a solid and comforting foundation for sloping memorial desks.

These sloping desks, featuring two vase holes, can be arranged through Ipswich Cemeteries in either solid concrete or solid granite. We keep a range of granite colours on hand to ensure families have immediate access to their preferred hue, including Glory Black, African Black, Kashmir White, Emerald Pearl, Blue Pearl, Sapphire Brown, and African Red.

We offer an array of memorial options in cast bronze, aluminium, and granite, always with a focus on personalisation. Our dedicated staff is here to ensure that each memorial is crafted with love and care, reflecting the unique essence of every family.

Typically, our Operations Supervisor selects the next available plot for families; however, we warmly welcome families who wish to be near a particular grave to book an appointment. Our caring Operations Supervisor will guide you in selecting a suitable plot, ensuring your wishes are respected.

Plots can be reserved in the Lawn Beam section by purchasing the burial right to a specific grave.
